TO WHOM IT CONCERNS

RE Hunter Advertising Ltd. / Pension Plan arranged by Irish Pensions Trust Ltd.

I, Donal De Barra alias Donal Barry do formally state my complaints against the Trustees of the Hunter Advertising Ltd./ Pension Plan as follows:

1. They have withheld payments due to me, since my 65th birthday, under the terms of the above named pension plan.
- 2 They failed to contact me at the maturity date of the above plan and to inform me of my entitlements thereunder.
3. They continue to fraudulently withhold payments under the above plan notwithstanding that I have contacted them and made them aware of their liabilities under the plan.
4. I hold the Trustees liable for interest and all other consequential loss as a result of their failure to make the payments due to me under the plan.
- 5 That the Trustees failed to issue me with a copy of the policy document as specified in the letter from Irish Pensions Trust Ltd Ref DC/EK and dated 2nd February 1983.

Details of my entitlements under this scheme are set out in a letter to me, at this address, from Irish Pensions Trust Ltd. as noted above.

This matter was brought to the attention of Irish Pensions Trust on 8th July 2013.
