Dear Mr. O Gorman,

Further to your letter of 22nd January I would be obliged if you could provide me with a full copy of the actuaries report and in particular, can you provide further details regarding your statement that the "values quoted assume an amount of IRE 3847.00 (€4884.68) invested in the Mixed Fund Until 10th April 2013 and late interest applied from April 2013 to 22nd January 2016" i.e. What Mixed Fund? What period? What was the Growth rate for that fund? What rate and amount of interest?

Thank you,

Yours,

Donal De Barra
